twelve graduates and two. K.R. Srinivasa Iyengar (referred to in paras 13 and 14) as Surveyors on Rs 80. He has added that for want of B.E. candidates, appointments could not be made in the ratio of 3:1 and that preference would be given to such candidates till the proportion is reached.

18. C.E.I.'s report with minutes dated 12/8/46 and minutes dated 13/8/46 is for perusal. In addn to Mr. K.V. Rao's case, the C.E.I. has submitted for sanction the appointment of as Surveyors 11 more applicants against existing vacancies. The Deptt is woefully short of men and a number of new & large projects are to be sanctioned which require the requisite staff. Only 2 B.E. candidates out of 12 are available & have applied, and there are no more applicants. The ratio of 3:1 laid down below the B.E. & Pol. candidates cannot therefore be followed. The shortage is promised to be made up when the B.E. candidates become available next year. The ~~appointments~~ proposals may be sanctioned and the applicants asked to apply when vacancies are next advertised by the P.S.C. so as to regularise the appointments.

4. Messrs. C.N.Krishna Iyengar, H.P.Visveswariah, and T.A. Krishna Iyengar submitted their applications for appointment as Surveyors and ~~they~~ These have been submitted to Government in this office No.1559 dated 21-8-1946, for appointment. But these candidates do not seem to have submitted their applications to the Public Service Commissioner. The applications of two more candidates (Messrs. C.R. Narasimha Murthy and M.S.Krishna Murthy) addressed to this office requesting for an appointment are herein enclosed. But their applications have not been received from the Public Service Commissioner. The applications of Mr.A.V.Venkateswaran and Mr.C.N.Nagaraja, - received from the Public Service Commissioner are herewith enclosed for appointing them as Surveyors.

5. Serial Numbers 6, 7, [illegible], 10, 13, 14, 15, 23, 31, 46, 55, 57, did not join duty. The application of Mr.M.Gopalappa received from the Public Service Commissioner is enclosed for appointing him as Surveyor. Mr.S.V.Puttannaraju had been appointed as Surveyor and as he did not join duty his appointment was cannelled. Since his application is again received from the Public Service Commissioner, he may be appointed.

6. All the candidates mentioned in para one were appointed with the approval of Government. It may be seen therefrom that 46 backward class community candidates and 26 brahmin candidates are actually working.

7. In view of the Government Order dated 25-2-1944, appointments of Surveyors are to be made in the proportion of 3:1. As there were not sufficient number of backward class community candidates forthcoming, the ratio of 3:1 could not be maintained. If sufficient number of backward class community candidates are forthcoming in future, preference will be given to them till the proportion of 3:1 is, reached.

8. In the above circumstances, I request sanction of Government:-

(a) to ~~be~~ the action taken in continuing the brahmin candidates appointed,

(b) to the appointment of Messrs:-
